

Safe Storage Sleeves

CellSafe Envelope Kit MD

Designed for busy IT departments, cellphone repair shops, and law enforcement evidence lockers - anywhere you need to store used lithium-ion powered personal devices. Our Safe Storage Sleeve offers proven protection from thermal runaways in a thin textile construction. Perfect for short-term storage of cellphones, laptops, tablets and other small devices destined for return, recycling or repair.

Storage Sleeve

37cm x 30.5cm (185Wh)

Sized for tablets and smaller laptops
